The student’s household includes:

- The student.
- The student’s spouse, if the student is married.
- The student’s or spouse’s children if the student or spouse will provide more than half of the children’s support from July 1, 2014 through June 30, 2015, even if the children do not live with the student (do not include foster children).
- Other people if they now live with the student and the student or spouse provides more than half of the other people’s support and will continue to provide more than half of their support through June 30, 2015.
